Deadline for Applications: March 8, 2019 **Award Date:** Spring 2019

Scholarship Sponsor

Name: Women's Club of Wyomissing

Description: The Wyomissing Public Library stands as a legacy to the Women's Club of Wyomissing. In 1911, twenty women were invited to plan an organization promoting public spirit in the Borough of Wyomissing. The women realized that a library was essential to the community and took on the responsibility of getting the library started as well as fundraising for its support. The library had several temporary homes between 1913 and 1930. By then it was clear that the library needed more space and Mrs. Ferdinand Thun donated the funds for a new building. At this time the Wyomissing Public Library Corporation was formed and the Women's Club ceased its era of library management.

Applicant Qualifications

This \$1,250 scholarship will be awarded to a senior who has shown outstanding community service to both school and community and who also demonstrates academic excellence and financial need.
