Scholarship Sponsor

Name: Class of 1946 Memorial Scholarship

Description: This scholarship was created by the Class of 1946 in an effort to "give back" to the school district that provided them with a solid educational foundation. It was created in 2001 on the occasion of the 55th Class Reunion.

The class wished to honor a member of the senior class who shows great academic and leadership potential in school as well as in the community.

Applicant Qualifications

Recipients of this scholarship must show both academic and leadership potential in both school and the community. Applicants are evaluated based on school activities, academic record, and community service.
