

WAEF Grant Requests 2017-2018 School Year

Fully Funded

Date	Description/Amt. of Request	Applicant(s)	Information
07/2017	TI Nspire Calculator Grant		EITC fund \$2979.30 The final portion of this grant was funded this year to provide additional TI Nspire calculators for the JSHS.
07/2017	Maker Space Grant		\$2,431.06
09/2017	Macbeth Play and workshops	Pete Beck, Susan Derr & Jim Delp/JSHS	Arts and Music fund \$1000 and Board Designated fund \$450 provided a Performers workshop and Troupe play Romeo and Juliet for HS students. Total \$1450.
09/2017	Filtered Water Bottle Filling Station Grant	Meredith Caldwell/WHEC	Board Designated fund \$1003.56 to purchase a filtered water bottle filing station to reduce amount of recyclables to process and encourage children to drink more filtered water.
09/2017	Cosmetology Kit Grant Balance		Customer's Bank Tech & Trade Grant fund \$31.50 Grant used to pay balance on Cosmetology Kit for student attending BCTC.
09/2017	GOProFit Program Grant	Mike Babiarz, Jodi Reardon, Walter Holt & Mike Vecchio/JSHS	Board Designated fund \$4565.70 purchased 25 A360 Polar Heart Rate Monitors, Polar Go-Fit Online software & Virtual Online Training for physical education staff. Students wear monitor and the monitors communicate via blue tooth to teacher's iPad to record and display student's heart rate.
11/2017	Laser Cutter Additions	Curt Minnich/JSHS	EITC fund \$1713.35. Various supplies and equipment was purchased to support laser cutter/engraver projects.
11/2017	Filtered Water Bottle Filling Station Grant	Meredith Caldwell/WHEC	Board Designated fund \$1003.56 to purchase a filtered water bottle filing station to reduce amount of recyclables to process while encouraging children to drink filtered water.

11/2017	Elementary Robotics	WREC and WHEC	Schneider Grant fund \$8922.00. Funding for Ozobots to use in the second grade, Dash and Dot in third and littleBits in fourth, fifth and sixth. This sequence will provide our learners with the opportunities to develop the 21st Century Learning Skills of communication, collaboration, critical thinking and creativity.
12/2017	Reading Is Our Thing	Nancy Robinson and Dawn Weidner/WHEC	History & Literature fund \$340.63, Donor Designated Book fund \$496.86 and McCullough fund \$276.75 "Reading is Our Thing" program matches each student with take home books (given on a weekly basis) that are suited to his or her precise reading level. Students are incentivized to practice reading at home and return the book in good condition by earning a "ticket" each week to be entered into a drawing to win a hardcover Dr. Seuss book. Total grant \$1114.24.
12/2017	Hoby Leadership Registration Grant		Houck fund \$225. Grant allowed student to attend the HOBY Leadership.
01/2018	Classroom Library Enhancement Grant	Andrea Landrum and Jim Comerford/JSBS	Donor Designated Book fund \$503.14 and Board Designated fund \$1139.17. Encourage life-long readers it is important to put the most current literature in the hands of our students. Now that the book awards for this year have been announced, we would like to offer these selections to the students at the JSBS to enjoy individually and combine with the current curriculum. This enhancement expands upon the canon of the courses being taught in the JSBS English department. Total grant \$1617.31
01/2018	Light Tables for WREC	Michael Miller and Kristen Heist Albright/WREC	Art and Music fund \$225.48 and Board Designated fund \$460.45 to purchase light tables for WREC to allow students to see transparency through paper when they are making art. Total grant \$685.93.
01/2018	Sensory Bins Grant	Eileen John and Amy Miller-Cush/WREC	Board Designated fund \$650 and \$26.85 Direct Program exp. Bins contain a variety of items to address the many sensory needs of students today. These items will help to increase

			student attention, thereby increasing acquisition of skills. They will be housed in a central location of the school and all teachers will have the ability to sign out items from them to use in their classroom. Total \$676.85
01/2018	Water Bottle Grant	WHEC	Board Designated fund \$2392.50.
02/2018	3 in 1 Sheet Metal Machine Grant		EITC fund \$500.25 and Direct Program exp \$23.75 A 3 in 1 Sheet Metal Machine was purchased which continues to support the previously funded laser cutter/ engraver by allowing the student to cut, bend, and roll certain materials that have been engraved. Total grant \$524.
02/2018	Inorganic and Organic Models and Electronic Balance Grant	Dr. Brian Liskey/JSHS	Board Designated funds \$675.56 and Donor Science and Technology fund \$321.94. This project builds upon current curriculum but will be enhanced by the use of 3 dimensional models as visual aids and guided inquiry approach rather than the traditional paper and pencil. The JSHS science department already has a few Electronic Balance Scales, but not enough for each classroom to have one of their own. By having one that stays with the models and is dedicated solely to be used with this is for students to be able to compare relative weights of the molecules (smaller vs. larger ones). Total grant \$997.50.
02/2018	Shelving Grant	Andrea Landrum and Jim Comerford/JSHS	Board Designated \$536.28. Shelving in both classrooms are filled to capacity so additional ones were added. The shelving is used to house these new selections, making them visible and readily available for anyone to enjoy.
02/2018	Class of 2006 Beck Grant		Class of 2016 Custodial fund \$2037.04.
02/2018	PFEW Camp Registration Grant		Houck fund \$100. Grant allowed student to attend the PFEW Camp.
03/2018	SPARKS Foundation Program Grant		EITC fund \$3825. "Matter Monsters", a special interactive one day program for fourth graders at WHEC in which science is brought to life. This is a program presentation of the SPARKS

			Foundation. This program will took place on May 14, 2108.
03/2018	SmartBoards Grant		EITC fund \$6852.22. Additional Smartboards were purchased for two social studies classrooms at the JSBS, allowing these instructors to combine the simplicity of a white board with the power of a computer.
03/2018	Bibo 3D Printer and Monoprice Maker Select 3D Printer and support items Grant		EITC fund \$5472.37. Purchased two BIBO 3d printers and two Monoprice Maker Select 3d Printers and support items to enhance the technology department at the JSBS. These printers will enhance the current STEAM based curriculum that is currently in place.
04/2018	Arduino Starter Kits Grant		STEAM Designated fund \$4823.04. This program provides open-source hardware and software as well as microcontroller-based kits for building digital devices and interactive objects that can sense and control physical devise. These kits will be used in three STEAM courses for grades 7-12.
05/2018	Kindergarten Supplemental Guide Reading Books Grant	Nancy Robinson and Dawn Wagner	Milford Language Art fund \$1652.40. to cover the cost of purchasing additional level A, B, & C books to enhance the K-2 bookroom.
05/2018	Novels for WREC Grant	Dan Smith and Michelle Hetrich/WREC	Milford Language art fund \$27.60 and Board Designated \$472.40 to cover the cost of purchasing additional novels for the WREC. Total grant \$500.
05/2018	Portable Sound System Grant	Pete Beck and Tim Hetrich/WASD	Board Designated fund \$479.89 to cover the cost of purchasing a portable sound system for WASD.
05/2018	Tackle Football and Cheer Registrations Grant		Spartan fund \$245. Grant allowed two students to register for tackle football program and 1 cheerleader for Wyomissing youth teams.

06/2018	Wyo 5 Live Background Image Grant	Andrew Siggins/JSHS	EITC fund \$463.93. Purchase an aerial view background image for the Wyo 5 Live studio.
06/2018	Coding with Ozobots Grant	Stacey Hughes	EITC fund \$81.60. Ozobots are unique robots that are controlled with a simple mark on a piece of paper. These additional materials will enable more students to have access and exposure to 21 st century skills as our teachers are learning how to embed STEAM within their curriculum.
06/2018	Wyo 5 Live Remote Recording Grant	Andrew Siggins/JSHS	EITC fund \$1764 and Direct Program fund .05 These pieces of equipment will allow students to do live, on site broadcasting. The Broadcaster Pro will send a video signal back to the Wyo5Live crew and announcers to participate in Wyo5Live productions. The Vuze & VR is a dedicated camera, capable of producing the remote video we desire.
06/2018	Water Bottle Filling Station Grant	Kelly Ferrandino/WREC	Board Designated fund \$1439.37. To purchase a water bottle station for WREC.
06/2018	Field Hockey Camp Grant	Kelly Ferrandino/WREC	McCullough fund \$750. Grant to send 3 players to Field Hockey Camp
06/2018	Lacrosse Equipment Purchase Grant		Spartan fund \$391.99. Grant purchased lacrosse equipment for student to be able to participate.
06/2018	Penn State Berks Grant		McCullough fund \$275
06/2018	Summer STEAM Program for 3 students Grant		McCullough fund \$190 and Future Grant fund \$180. Allows three students to attend Summer STEAM program. Total grant \$370.
06/2018	Summer School for 6.5 Classes Grant		McCullough fund \$772 Summer school fees for 6.5 classes
06/2018	Summer STEAM Program for student Grant		McCullough fund \$135. Grant allowed a student to attend Summer STEAM program.
06/2018	Summer Youth Opportunity – Playground Fee Grant		Spartan fund \$950. Grant allowed 2 students to attend Borough of West Reading Playground program.
06/2018	PA Masonic Youth Lifeskills		McCullough fund \$250.54 and Houck \$199.46. Grant allowed a

	Conference Grant		student to attend the PA Masonic Youth Lifeskills Conference. Total grant \$450.
06/2018	Cosmetology Kit for Student Grant		Customer's Bank Tech & Trade Grant fund \$478.43 Grant used to purchase a Cosmetology Kit for student attending BCTC.
